

## **RENTALS**

Rent by the Day-Week-or Month with a valid Ohio Driver's License and a Credit Card. Must be 18 years-old or older to rent. Customers who would like a Net 30 Day account must fill out a credit application and have it approved by our credit department.

## **EQUIPMENT PROTECTION PLAN (EPP)**

The Equipment Protection Plan (EPP) is 12% of the rental and covers accidental damage to the equipment. EPP does not cover damage or loss due to negligence, misuse or abuse, tire damage, mysterious disappearance or theft by conversion. Damage Waiver can be waived by presenting, at the time of rental, a Certificate of Insurance naming Fetters Run, LLC dba Taylor True Value Rental as loss payee and additional insured. EPP is non-refundable.

## **RENTAL RATES**

**4 Hour Minimums** — Minimum rentals must be picked up and returned on the same day. Minimum rentals picked up with less open hours available than the rental period will be charged a full day. If the equipment is returned before we close, the difference between 24 hour rate and the minimum rate will be refunded. Customers who return the equipment beyond the allotted minimum hours will be charged a full days rental. Minimum rental rates are not guaranteed—they are the minimum amount we can charge for the use of the equipment—4 hours usage is not guaranteed.

**24 Hour Rentals**—24 hour rentals allow a pick-up and return of 24 hours. When metered equipment is rented, there is a maximum usage of 8 hours allowed on the meter. Hour usage over the maximum will be charged at 1/8th of the rental rate per hour. Hour usage under the maximum will not be refunded. Weekend rentals may be picked up Saturday morning and kept until Monday morning at 8:00 a.m. for a 24 hour rental period, 8 hours of usage allowed on the meter. Equipment kept beyond the check-in time will be charged at 1/6th of the rental for every hour it is late.

**Weekly Rentals**—Weekly rentals are allowed 7 days out, 40 hours maximum on the meter.

**Time Out—Not Time Used**—Taylor Rental charges for time out, not time used. Equipment that is picked up and returned to Taylor Rental will remain on rent until the unit is checked out and a return receipt is issued to the customer. Equipment that was delivered by Taylor Rental and is being picked up by Taylor Rental will be called off rent when the customer requests a pick-up.
